

Your free 2006 profile bonus

A small time capsule, made by you.

Choose a username, an away message and the things that would have lived on your profile. Use a real earlier era or invent a version of yourself.

Make a profile

Print and fill in the next page, or use the online profile maker and save a PNG keepsake.

Let the group guess

Use the folded profile slips on page 5. Hide real names and handles, shuffle, and guess before anyone unfolds them.

Play a little more

Try action bingo on page 7 or the small scavenger hunt on page 8. Point, describe or sketch things already around you.
